

HEALTH AND CARE FORCE BRINGING CAREERS TO THE CURRICULUM

Do you want to inspire the future workforce of Health and Social Care in Staffordshire and Stoke-on-Trent?

From the moment children start school, we want them to learn about the many roles which make up the Health and Social Care sector. From doctors and nurses, to allied health professionals, social workers, health care support workers, electricians, chefs and so many more...

BECOME PART OF THE HEALTH AND CARE FORCE

- Bring careers to the curriculum for students from early years to university by sharing information about your profession, how you started your career, why it's special and why they should consider it too!
- Choose a locality in Staffordshire & Stoke-on-Trent you'd be happy to travel within and tell us how you'd like to support below;
