

Part of developing a shared Mental Health, Learning Disability and Neurodivergent Strategy.

Help Us Explore the Journeys of Children, Young People & Young Adults with Learning Disabilities and/or Neurodivergence

We're gather experiences from across Stoke-on-Trent & Staffordshire to better understand the key transition points and interventions that shape how young people are supported. Your insights will help highlight what's working, what's getting in the way, and what needs to adapt to improve support and their lives.

Join one of our online workshops

Carers 'Journey' workshop: 6th Aug 6pm - 8.30pm
