

Imagine it's 2035. Support for mental health, learning disabilities, and neurodivergence helps people live happier and healthier lives. What would we see, hear, and feel? How can we make it happen?

Your voice matters - share what's important, set the agenda and help prioritise and shape the future MHLDN strategy for Stoke-on-Trent & Staffordshire

You are invited to be part of an Open Space event, you can choose to attend in-person or online (*click links below for more information*):

In-person 22nd September 9.15am (9.45 start) - 4pm
