Dear

FOI FOI-08-078:

Your request for information under the Freedom of Information Act 2000

Thank you for your request dated the 15th August 2022. We can confirm that Staffordshire and Stoke-on-Trent Integrated Care Board does hold the information that you have requested. Please see our responses in blue below / attached:

As part of our work, we are looking into the palliative and end of life care that men with prostate cancer receive.

As the Palliative and End of Life Care Statutory Guidance for Integrated Care Boards (ICBs) (20 July 2022) has been published, we would like to hear from ICBs on whether they have actioned the Palliative and End of Life Care self-assessment, to identify progress and gaps against the six Ambitions commitments (involving people with lived experience), please.

Is it possible to receive a copy of your self-assessment, if this is public, or be put into contact with someone who is able to assist with this?

Please find attached a spreadsheet detailing the information requested.
