Dear

**FOI FOI-08-091:
Your request for information under the Freedom of Information Act 2000**

Thank you for your request dated the 22nd August 2022. We can confirm that Staffordshire and Stoke-on-Trent Integrated Care Board does not hold the information that you have requested. Please see our responses in blue below / attached:

I was looking through your website for information I needed for a college assignment and was wondering what mental health devices you had inside your ICSs. Suppose you could provide me with the name of the devices you have?

The Staffordshire and Stoke-on-Trent Integrated Care Board (ICB) is responsible for commissioning a range of health services, including mental health services, for the population of Staffordshire and Stoke-on-Trent. However, the ICB does not commission any specific devices to support mental health and therefore does not hold the information requested.
