Dear

FOI-12-656

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information received on the 21st December 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

Please supply the *average daily rate* for a person with a learning disability and/or autistic person in an inpatient bed commissioned by the ICB in the financial year 22/23 where the patient was included in the Assuring Transformation criteria*

- **We recognise that some of your inpatient provision will be provided by the NHS, some will be independent provision, some will be part of block contracts and some will be spot purchased.**
- **Taking into account the different types and costs of provision you use, please give an overall average daily rate for one person with a learning disability and/or autistic person in an inpatient bed commissioned by the ICB.**
- **If a patient was in a bed that is part of a block contract and you are unable to give an individual cost of that specific bed to inform the overall average, instead use an average daily rate for one inpatient bed across the whole block contract.**
- **As the accountable body please supply information even where the ICB has delegated commissioning responsibility to another body.**

Please be advised that this information is not held by the ICB. Your request should be sent to the following provider:

North Staffordshire Combined Healthcare NHS Trust
